The Aura.

The Aura.... what?

The Aura is the personal energy to every living being, in multiple layers around you.

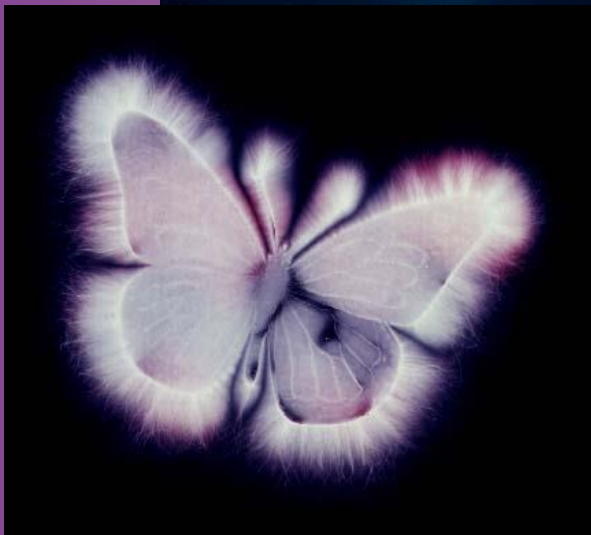

The Aura is your life and reflects all aspects of your physical body, your soul and your mind ... our 'inner self'. It is also a reflection of what you do in everyday life, feel and experience.

The Aura moves with you and has multiple colors. These colors change according to your mood, your emotions and self-esteem.

With the Kirlian-camera you can see the Aura on a picture.

The Aura-Chakra healer can see, feel or observe where the energy is not in harmony,

Kirlian pictures.

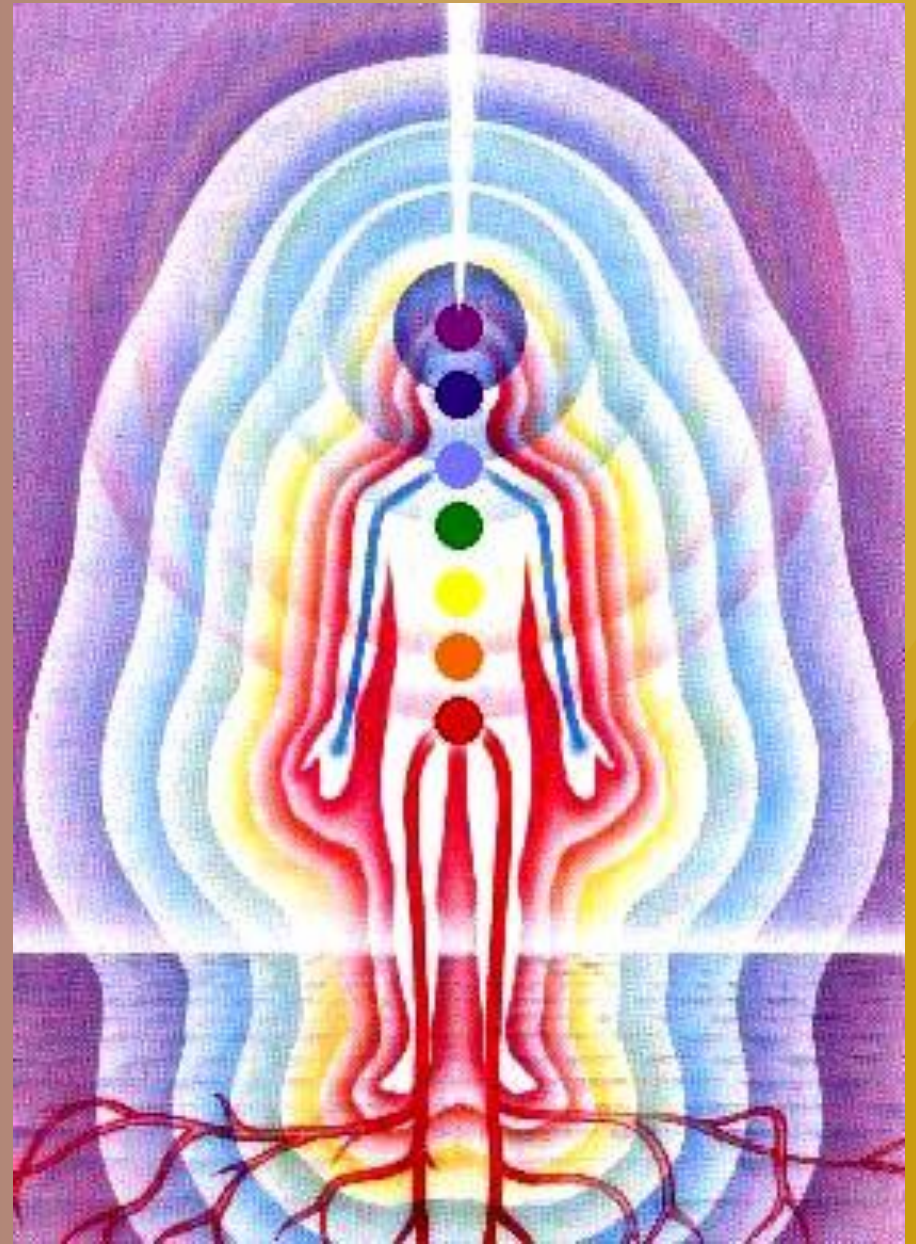

diseases can be recognized in our aura long before they manifest themselves.

Just like our physical body, the Aura can be injured.
Mostly by violence of the mind or body.

The aura is a selfhealing system.
