

Seminar: “Heading towards 2020”

21-22 October 2010

Setubal, Portugal

Seminar Project Development Pillar

Workshop leader:

Anne-Marie VAN DEN DRIES

Consultancy and Expertise Work in EU Programmes

Sector: Education/Culture/Youth/Entrepreneurship

Description of the programme

New members of the international team often experience difficulties in locating all the acronyms in use in the EU-jargon.

What is also felt as a real hindrance is the variety and complexity of EU- Education programmes. Money seems to be there, but how to access it? How to write a project? Where do I get my ideas from? How do they fit into the vision and strategy of the EU?

Coehre Academy

The Coehre Academy is one of the activities within the Coehre consortium. The aim of the Academy is to enhance international, interdisciplinary, interprofessional cooperation and capacity building within health education among the members institutions.

The Academy acts as a platform that initiates, supports and coordinates different activities. It offers opportunities to create, stimulate, found and intensify networking of partner institutions and to develop joint initiatives.
